Topics and Speakers

Session 1: Case study on PTSD

Speakers: Machele Huff is a Path Registered Instructor and has practiced clinical social work for 25 years. Her clinical expertise includes mental health treatment for youth, families and adults with specialty practice in non-mounted equine-assisted therapy, substance abuse and recovery, and veteran treatment. She is currently the Veterans Justice Outreach Specialist for the Salem VAMC. Machele serves as an ambassador in advocacy and treatment for veterans who are incarcerated or court involved. She will present a dynamic story of how one veteran used his love for therapeutic riding to combat his struggles with homelessness and addiction. This presentation will describe the tenets of trauma, addiction, and recovery. Machele will gently illustrate how strength-based parallels can be made from therapeutic lessons for all of our riders who experience various life's challenges.
